The President

Dr. Robert K. Ackerman began his second year at Wesleyan with a bang. He started by christening the 1985-1986 Sesquicentennial year at Wesleyan as a year devoted to the recognition of "Women of Achievement." With this goal in mind, many outstanding women were invited to the campus to speak as part of the convocation series at Wesleyan. Dr. Ackerman was involved in many community activities as well as college activities. He held the honored position of Chairman of the Cherry Blossom Festival in Macon this year. Dr. Ackerman was born in South Carolina and served as Dean of the College of Liberal Arts at Drew University for nine years before assuming his present position at Wesleyan in 1984. He is married to the former May Morgan. They have three children, Mark,Roxanne,and Bettye.

Extended Orientation Begins

It always seems that the sophomore class is as busy as the freshman class for the first few weeks of school. This held true this year as the Green Knights prepared to initiate the new freshmen into the sisterhood of Wesleyan. The fun began about the third week of school when the Green Knights raided the Pep Rally For the Tri-K's.That raid began a very chaotic week.

1.Carol Moulder makes a pretty intimidating ratter. 2.Serena Hunt and Leslie Dickens make good use of the "study night" enforced by members of the GK class.

Is This Supposed To Be Fun?

There were many strange happenings that week including the eerie Blood Feast. The freshmen were also treated to a tour of Banks Dorm. Saturday morning came early for the freshmen who were dragged out of their beds and out to be auctioned off for an interesting price. It was a full day which ended with the traditional Life March. Initiation was over and the Tri-K's were officially a part of Wesleyan.

Initiation Ends With Style

Share Special Weekend

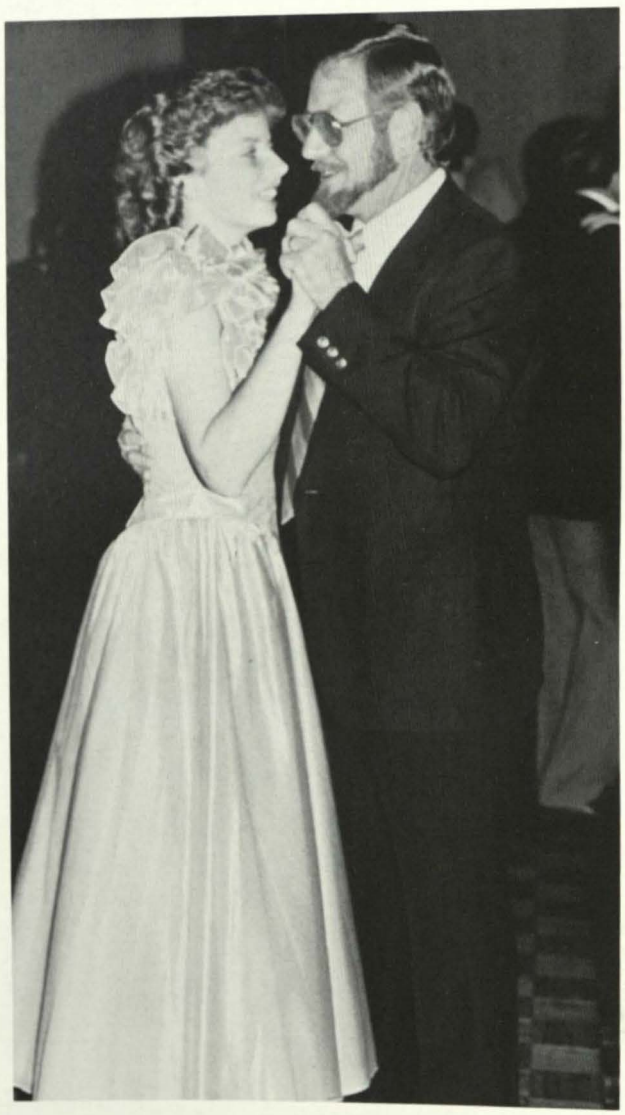

Father-Daughter weekend gave Wesleyannes the oppurtunity to spend some quality time with their fathers. The girls welcomed their dads on Friday and enjoyed dinner out with their favorite men. Saturday was filled with a variety of activities including sports such as the annual father/daughter softball game. Others chose to spend the day playing indoor games such as Trivial Pursuit or going on a shopping spree. After dinner that night,fathers and daughters were entertained by a performance from the Wesleyannes in the Burden Parlor. The highlight of the weekend was the "Big Band" dance in the Oval Hall Saturday night. The Hines-Causey Orchestra played the music that dads could dance to,even if the daughters had a little trouble keeping up with them. Sunday ended a very special weekend for both fathers and their little girls.

Fathers and Daughters Enjoy

1.Julie Taylor enjoys this dance with her father. 2.Karmen Kimsey slow dances with her dad. 3.Susan and her father show the others how it's done. Opposite Page:1.Liz Gordon and her father were the hit of the dance. 2.Wesleyannes have a special time with their fathers.

A "Big Band" Dance

The Saturday night dance in the Oval Hall is always a great success with the fathers and daughters. Knowing that the fathers would probably not want to dance to three hours of "Top 40" tunes, CSA provides the more appropriate "Big Band" orchestra for this special occassion. Wesleyannes learn that the music their fathers prefer is pretty good after all. It takes most of the girls a little while to get used to the different style of dancing. But once they catch on, everyone feels a little more "grown up" even if it is daddy they are dancing with. Some dads always have to get in the spotlight and show off some of their smooth dancing moves. This is the perfect opportunity to learn a variety of dances since the band plays music from the forties and even some "be-bop" from the fifties. A good time is usually had by all.

Rosalyn Carter

The Wesleyan community received quite a treat this year when former first lady Rosalyn Carter visited the campus. Mrs. Carter was another impressive member of the series of "Women of Achievement" who have spoken at Wesleyan in this Sesquicentennial year. The college honored Mrs. Carter by bestowing on her an honorary degree. The faculty and administration turned out in full academic regalia for the occassion. We feel very priveleged to have had the oppurtunity to hear Mrs. Carter speak on our campus.

The featured dish was an attractively garnished roast pig with an apple in its mouth. Casual,island attire was prevalent with some guests even wearing swimsuits and grass skirts. Complimentary leis were also provided. The heated indoor pool was an added attraction and gave students a chance to play a variety of aquatic sports such as water volleyball. The gym was transformed into an island paradise complete with palm trees and coconuts. All students and guests who attended pronounced the luau to be a grand success.

WONDERFUL PERFORMANCE

SHOULDN'T YOU BE AT HOME?

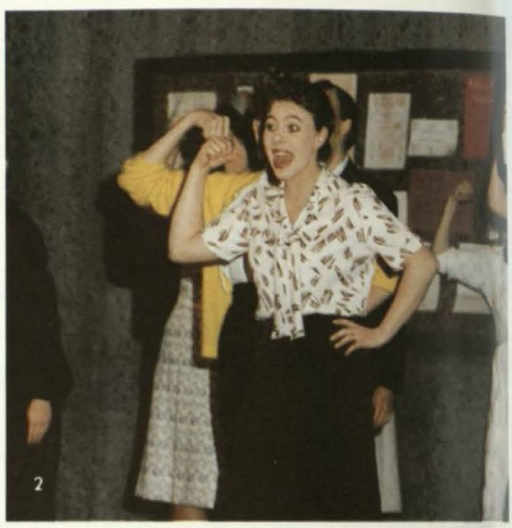

When America entered World War II, male workers left their jobs to defend the free world leaving a shortage in the work force. SHOW THEIR WESLEYAN SPIRIT

CENSORING . . . IT'S NOT A LAW, IT'S AN ADVENTURE

THE LAW — BY ORDER OF THE PKB —

We, the members of the PKB, in order to form a more "logic"al society, establish Clementine, to insure music conformity, provide for the common sense, promote the general welfare, and secure the frequency of the air waves for ourselves and our constituents, do ordain and establish this law of total music censorship.

Therefore, by the power invested in us, on this 1st day of March, in the year two thousand, Clementine shall censor lyrics as she sees fit, from this day forward.

The production of "Twelve Angry Women" was performed in April in the Porter Auditorium. It was a theatre-in-the-round production. One annual production of this kind is usually presented by the theatre department. These plays do not depend on a set and seem to create a more intimate environment for the audience.

I would like to thank the following people for all their support that produced the 1986 Veterropt: Karen Melton, Wyann Coker, Tena Roberts, Tamara Smith, Christine Reppert, and Beth Herndon. Without these people, I would have gone crazy. A special thanks to the Wesleyan community and all the best of luck to Ana. I hope that the next one hundred and fifty years is as wonderful as the first.
